

# Aesthetic Cosmetology and Medicine

## INSTRUCTION FOR THE AUTHORS OF SCIENTIFIC WORKS

Bi-monthly Aesthetic Cosmetology and Medicine is a peer-reviewed journal, indexed in the Index Copernicus and Pol-Index. The published works are in the following categories: academic papers, research, case studies, review articles, reports, interviews, polemics, articles of socio-professional and professional specialization, technical reports. The source literature, book reviews and industry news are also published.

The journal is edited by the editors of the paper and in the electronic version. The published works are in the following areas: Anatomy & Morphology, Behavioral Sciences, Biochemical Research Methods, Biochemistry & Molecular Biology, Biology, Biophysics, Biotechnology & Applied Microbiology, Cell Biology, Chemistry, Analytical Chemistry, Applied Chemistry, Cultural Studies, Dermatology, Economics, Education, Scientific Disciplines, Law, Management, Health Science, Medicine, Legal, General & Internal Medicine, Medical Laboratory Technology, Physics, Atomic, Molecular & Chemical, Physiology, Women's Studies, Allergy, Pharmacy, Endocrinology & Metabolism, Oncology and management of healthcare units, law and education.

Each work should contain an **abstract** and **keywords** in English and in Polish.

The front page should include a **title** in English and Polish, **detailed addresses of all co-authors** (address, e-mail and phone number) as well as the **mailing address of the main author**.

Each author should have **only one affiliation**.

The work layout should consist of an **abstract**, an **introduction**, an **aim**, the **chapters**, a **conclusion** and **references** (bibliography). The literature, which the author refers to, should be listed and numbered in the order it appears in the text (**not in the alphabetical order**), in square brackets, at the end of the sentence, before the period (e.g. [1, 2]. or [1-5]).

## GRAPHIC OBJECTS

Drawings, chemical formulas, charts, photographs, tables, etc., must have appropriate references in the text and be numbered in the order they appear along with indicating their source.

Abbreviations used: drawings (fig. 1), chemical formulas (fig. 2), charts (fig. 3), photographs (pic. 1), table (table 1).

## LITERATURE FORMATTING (AMA Citation Style)

- **Articles in scientific journals**

Surname(s) of the author(s), initial(s) of name(s) /period/. Full title of the article /period/. *Name of the journal*/period/. Year of publication; number of volume(number of issue)/colon/numbers or page range/period/.

**Example:** Malinowska S, Perzanowska I, Marianowska A, Jędrzejczyk M, Młosek RK. Laser and IPL epilation. The factors determining epilation effectiveness. *Aesth Cosmetol*. 2018;7(6):705-709.

- **Books**

### Work of authorship (of one or more authors)

Surname(s) of the author(s), initial(s) of name(s) /period/. *Title of the book* /period/. Place of publication /colon/: full name of the publishing house /semicolon/; year of publication /period/.

**Example:** Hadgraft J, Guy RH. *Transdermal drug delivery*. New York: Marcel Dekker; 1989.

### Collective work (edited, composed of texts by different authors)

Surname(s) of the author(s), initial(s) of name(s) /comma/, ed. /period/. *Title of the work* /period/. Place of publication /colon/: full name of the publishing house /semicolon/; year of publication /period/.

**Example:** Orfanos C, Happle R, ed. *Hair and hair diseases*. Berlin: Springer-Verlag; 1990. Please make sure to replace the "(red.)" abbreviation with the "ed." abbreviation in English version.

### Chapter in a book

Surname(s) of the author(s), initial(s) of the name(s) /period/. Title of the chapter /period/ In: surname(s) of the author(s)/editor(s), initial(s) of the name(s) /period/. *Title of the book* /period/. Place of publication /colon/: full name of the publishing house /semicolon/; year of publication /colon/: numbers or page range/period/.

**Example:** Cesarini J. Hair melanin and color. In: Orfanos C, Happle R, ed. *Hair and hair diseases*. Berlin: Springer-Verlag; 1990:165-197.

Please make sure to replace the "[w:]" with the "In:" in English version.

## INTERNET SOURCES

Name of the portal /period/. Link /period/. Accessed dd.mm.yyyy /period/.

**Example:** Aesthetic Cosmetology. [www.kosmetologiaestetyczna.com/ike/5.2017/#12](http://www.kosmetologiaestetyczna.com/ike/5.2017/#12). Accessed 05.12.2020.
